Drive Away With A Better Rate

If you're in the market for new wheels, the credit union can help you drive away with a better rate - even if the dealer appears to be offering an awesome deal. That's because this old adage applies: "What the big print promises, the little print taketh away." The splashy headline doesn't tell the whole story. "Not all buyers will qualify" means the advertised interest rate is available only to those with pristine credit. If you have any blemishes on your credit, you'll likely pay a higher rate. "Available on select models" means the deal is valid for only a few vehicles - ones that may not meet your needs. Plus, with a pre-approved loan from the credit union you are in a much better bargaining position because you can shop like a cash buyer, getting the vehicle you want to buy, not the one the dealer wants to sell you. So before you set foot on the lot, contact the credit union so we can put you in the driver's seat.

Thank You Vets!

November 11th is the day set aside to honor our veterans, but every day is a good day to thank our veterans for their service. Our men and women in uniform make it possible for us to enjoy our freedom and way of life, and for that, we owe them a debt of gratitude. We also need to thank our veterans' families who sacrifice so much while their loved ones are protecting our freedom.

Whether they have served their country honorably during war or peacetime, our veterans are our heroes. So make it a point to thank your friends and family members for their service. And when you spot someone in uniform or wearing a baseball cap or jacket identifying a branch of service, be sure to extend your gratitude and best wishes.
