Happy Birthday International Credit Union Day!

Thursday, October 18th is International Credit Union Day, and this year is the 70th anniversary of the celebration of the credit union difference. As you take advantage of all the benefits of belonging, you're not only helping yourself, but helping your fellow members. That's the reason credit unions exist, and that's worth celebrating. Join us for refreshments and giveaways.

Share The Benefits Of Credit Union Membership

Friends don't let friends, nor their family members, pay too much for financial services. That's why you'll want to share with them the benefits of belonging to the credit union. Here's where they will not only find competitive rates on savings and loans, but a variety of products and services to help them manage their personal finances. While for-profit financial institutions have their shareholders to answer to, the credit union is a not-for-profit financial cooperative that exists only to serve its members. So please pass the word about the credit union difference. Your friends and family will thank you for helping them discover that difference and how it can help them achieve their financial goals. For more information about sharing the benefits of membership, visit our website or contact the credit union.

Thank You, Vets

As Veteran's Day nears, Johnsonville TVA Employees Credit Union would like to extend a heartfelt "Thank You" to the courageous men and women who have dedicated their careers and lives to preserving our freedom in America. Veteran's Day, held each year on November 11, marks the day when we, as a country, honor all military personnel for their bravery and sacrifice. Now observed in cities and communities throughout the US, this important day officially became a legal holiday on June 1, 1954. Citizens pay homage and show respect to our veterans in many ways including flying the flag, attending parades, volunteering at local VA hospitals, or touring monuments/memorials. One of the most well-known Veteran's Day tributes is a wreath-laying ceremony at the Arlington National Cemetery where over 40,000 veterans and their families are buried. More recently the week of November 11-17 became known as National Veterans Awareness Week and comes with special observances.

Drive Down Your Payments - Refinance Your Vehicle Loan At The Credit Union

You love your new wheels. The monthly payments? Not so much. It may be time for a do-over. Bring your vehicle loan paperwork to the credit union and we'll help you figure out if refinancing your loan here is in your best interest. For example, we may be able to reduce the annual percentage rate you are paying on your loan, either reducing your payment or helping you pay the loan off faster. That means you'll pay less over time and the total price will be reduced. At the credit union, we're here for you, not the financial institution's or dealer's stockholders. We'll help you get back in the driver's seat and take control of your payments. Give us a call to find out how.

Protecting Your ID

Identity theft continues to be one of the fastest growing crimes in the United States. ID theft is a crime where a thief steals your personal information, such as your full name or Social Security number, to commit fraud. The identity thief can use your information to fraudulently apply for credit, file taxes, or get medical services. Here are some ways to help prevent this from happening to you.

- * Place outgoing "snail mail" in a secure mailbox. If you don't have a locked mailbox, pick up incoming mail as soon as possible.
- * Pay close attention to billing cycles. If a bill doesn't arrive on time, it's possible an identity thief has stolen it.
- * Protect your Social Security number by leaving your card at home in a secure location. Do not carry it with you on a daily basis. Be very careful about giving the number out.
- * Place passwords on bank, credit card, and phone accounts. Choose a password that mixes random numbers with letters. Do not use your birthday, your dog's name, or anything else a thief could guess.
- * Keep your information safe online. If you shop online frequently, consider having a separate account for your online purchases. Make sure you have virus protection - update it regularly.
- * Do not give out any personal information over the Internet, on the phone, or through the mail unless you were the one to initiate contact or you are sure about the identity of the person or the company.
- * Shred documents that you no longer need, including credit card applications, insurance forms, health forms, and billing statements.
- * Store private documents in a secured location.
