THANK YOU VETS!

As the nation observes Veterans Day, it's a reminder to say "thank you" to our veterans. November 11, 2023 marks a day set aside to remember the sacrifices of those who have served to defend our country and protect our freedom. President Woodrow Wilson proclaimed November 11, 1919 as Armistice Day to mark the one year anniversary of the end of the First World War. It was the first nationwide commemoration; the name was officially changed to Veterans Day by an Act of Congress in 1954. Although the observance was changed to the fourth Monday of October in 1968, President Gerald Ford restored November 11th as the official holiday in 1978. To all veterans as well as their families: We honor your service and appreciate all you have done to ensure America remains the land of the free and home of the brave. As the nation observes Veterans Day November 11th, a Saturday, the credit union will be open Friday November 10th.

THANKSGIVING HOLIDAY

The credit union will be closed November 23rd and 24th to allow employees to celebrate and enjoy the Thanksgiving Holiday.
